School Name is going green! As part of our commitment to reducing waste and being eco-conscious, we are transitioning exclusively to online payments for our next school year. We are pleased to introduce **school name's** new online payment system offered through **CompuWerx**. This is a **safe, secure, and convenient** site for handling all financial transactions via credit / debit card or e-check payments. You will be able to pay tuition, fees and/or make donations seven days a week 24 hours a day through any device! With this user friendly process, you will find it easy to manage your child(s) tuition account(s) by setting up recurring or automatic payments and viewing payment history, as well as, printing yearly statements. The link to the online payments can be found on **school's** website at www.schoolwebsite.com on the home page.

New users must register first with student ID. (If you don't have student's ID, you could use child's last name and first initial as the student ID). Contact **person's name** with any questions!
