God is the Giver of Every Good Gift

Principles of Stewardship

Stewardship is based on the spiritual principles of the Old Testament and the teachings of Jesus. It is a way of thanking God for all the blessing God has given us by returning to God a portion of our time, talent, and treasure. Stewardship is based on our need to give back to God our of gratitude, not on the Church's need to receive. It is based on the premise that all that we have and all that we are comes from God and, as a way of thanking God for all our blessings, we return a portion of the time, talent, and treasure that has been allotted to us. Please continue to give prayerful thought to your commitment of time talent and treasure to the Church and community.

We now offer a new way to give to the parish here at **Your Church Name**. Introducing our new **Online Giving Program**. You can now make electronic payments quickly and easily any time and any day of the week.

From the parish website, www.yourchurch.org you can access our convenient, easy and secure Online Giving program. Once you create a username and password you enter a payment method (checking or savings bank account, credit or debit card), you can make a new gift , either one-time or recurring throughout the year. You can choose your own donation dates and frequencies, change your payment methods and gift amounts any time, and even run reports of your donation history. To help you get your account started, there is a "Watch Help Video" link which shows a brief tutorial.

We strive to make giving as easy as possible. If you do not have internet access or have any questions, please call the parish office at **xxx-xxx-xxxx**, we will be happy to set up your account for you.
